Best shawarma, amazing combination of sauce and chicken/falafel. We tried twice and both time it was fantastic. Falafel was moist, tasty with perfect amount of sauces. If you tried osmow's barton location and disappointed like me then you must give this a try. Kudos to the team. [View all feedback](#). What [Curtis Smith](#) doesn't like about

Osmow's Shawarma:

Don't eat here unless you want it coming out of both ends. Got a really bad illness here after eating the chicken on the rocks. I was also told by someone that works nearby that when there was a gas leak and they shut down for the day the chicken was left hanging on the skewer outside [View all feedback](#).
