the service was great. our server katrina was friendly. I had an e-mail that I would get a free dessert for my birthday, but I didn't think we would go to boston pizza so I deleted it. when I mentioned the katrina, she went out of that and saw it through my phone number and I got my free dessert. my man and I were very happy with her.

the pizza didn't really cost, but that could be exactly what I chose. the main thing was that people who were ordered to eat before us, and when we finally got our order, it was not hot. our waitress was very pleasant and the load was clean. [View all feedback](#).
