What [Richard S](#) likes about Thai Waterdown:

This was our first time. We were so happy with everything! The food choices were great and all our items arrived hot and very quickly. There is a very cosy fine in area and another confirmation was the number of take out orders other customers were taking. Staff (family business) were attentive and friendly. [View all feedback](#). What

[N R](#) doesn't like about Thai Waterdown:

Had the pad thai lunch special. No vegetables. Way too much sauce. The server was nice and changed my companions pad thai for another dish with no problem but the second dish took less than 5 minutes to come out. That dish was way too spicy even though it was not listed as spicy on the menu. [View all feedback](#).
