The place from North York offers **18** different **dishes and drinks** on [the menu](#) at an average CA\$15. What [Asma S](#) doesn't like about Poke Eats:

When I order extra shrimp and pay extra for it I expect actual shrimp pieces not 4 pieces of a single chopped shrimp!!! What a shame!! Also they add crumbs of avocado and the mango are the tiniest i have ever seen! So disappointed [View all feedback](#).
