I had the chocolate dipped donut it was great! I was there on a Friday at 1:00pm and they only had 5 flavours left and I believe their hours were extended until 9:00pm which is unfortunate. Happy with the number of vegan options and can't wait to try something more adventurous! [View all feedback](#). What [User](#) doesn't like about Cartems Donuts Downtown:

The donut I ordered was really sweet. It was a bit too much for me, even for a caramel one. It was expensive especially for how small it was. I was able to bring my own container, which is super great! I was happy to try it, but I would not go back. [View all feedback](#).
