Pretty consistent and tasty. I order from South Ocean quite regularly. The dishes are normally very tasty. The portions are a fair size, there is a large variety to choose from, and the food comes out quite quickly. [View all feedback](#). What [Marina DuBuque](#) doesn't like about South Ocean Restaurant:

The place seems clean but apparently had health code violations in Dec. The sizzling seafood plate was a rip off. Other than that the food is very average. My wife is a better cook so overall it was a disappointment and not worth the drive from River Heights. [View all feedback](#).
