What [ريما الفدا](#) likes about Restaurant Le Gourmet: I had three meals while staying at the hotel. Lunch, a club sandwich, pretty good, with excellent fries. Supper was described on the menu as a pepperoni [pizza](#). It didn't look like anything I'd be served at Rosa's in Queens, but it tasted fine. Breakfast was eggs, bacon, toast, and more excellent potatoes. Staff handled the room well and spoke better English than my French (not much of a challenge). I'd eat here again... [Hidalgo Montenegro](#) doesn't like about Restaurant Le Gourmet:

I don't recommend this restaurant. The worst meal in a long time. On the menu of the day Chinese foods: soup won your insipid, rice too dry, chow mein warmed and too cooked of the day before, the vegetables were all soft and not very beautiful, chicken with frozen pineapples and not warm enough with big cum in the sauce. Real disgusting, many have not eaten their plate. [View all feedback](#).
