Great food at fair prices. Tax included is a nice touch. The owners are so friendly and know most of their customers. Their clubhouse sandwich is hands down the best in HRM. Is it gourmet food? Not even close. Is it home style cooking? Totally. Its a small hole In the wall diner. It won't change your life but it will make you feel happy and cozy. Love this place. [View all feedback](#). What **randevp** doesn't like about Cosy Snack Bar: Mediocre breakfast. Has all the signs of a greasy spoon, but maybe a little too much grease. Processed cheese on the grilled cheese. Over cooked eggs. Looks like a local favourite based on the consistent customers. But the food quality didn't match the hype. [View all feedback](#).
