We had a family dinner at this restaurant as we stayed in Montreal. The atmosphere is casual but with fine dining flavor. The service is very friendly and quick. The menu has great french cuisine options. Each of us tried different dishes. They all were presented delicately and tasted great. Highly recommend [View all feedback](#). What

[tuftsgrad](#) doesn't like about Restaurant L'Express Inc:

Very mixed experience. Wanted to love this restaurant as it came so highly recommended. While the food tasted good, it took 30 minutes to receive our entree and over an hour more ! to receive our main courses. We were two people. It was ridiculous. [View all feedback](#).
