I had the salmon tartar it was good. We got served very fast. The inside is unlike other restaurants it looks more like a house turned into a restaurant. It was adorable. Although a bit tight more space would be appreciated. I also had the chocolate square and a balsamic and chocolate salad which was actually amazing. I would not mind going back, if I'm not paying. It was a bit expensive. [View all feedback](#). What [Willis Mraz](#) doesn't like about Restaurant Comme Par Hasard:

Nous avons mangé des moules qui étaient excellentes et la portion généreuse, un burger au poulet et des frites. Le prix est un peu dispendieux pour un lundi mais le décor est très original. Un décor très kitsch!!! Ça faisait longtemps que je n'y étais pas allée, mais je me suis promise d'y retourner plus souvent. Attention aux gens qui sont cardiaques lors de votre visite aux toilettes...une surprise vous attend! [View all feedback](#).
