Willie's is an anchor at the foot of Johnson st. It has been there forever. The ancient building is spotless and warm with high ceilings and exposed brick. The eclectic menu has a suitable offering for everyone. Service was slower than the business crowd could handle but well worth the wait. The quality of local products used were exceptional . Stellar. Pretty much an old style breakfast menu. The early bird breakfasts, until 9:30 am, are good value. Service is good, breakfast arrives fast and hot. Very fresh eggs. Coffee is OK. Lunch menu looked to be basic as well. [View all feedback](#).
