These burritos taste pretty authentic compared to places like Taco Bell I had there vegetarian burrito since I'm vegan and it was delicious! Would def come back : [View all feedback](#). What [TravelwithAimes](#) doesn't like about Mucho Burrito:

My husband and I stop every Sunday on Our way to camp and this will be the last, we are always in and out in 15 minutes. We ordered with at 7:40 and as we paid we're told he had to take our food to go and not allowed to stay to eat. The sign on the door says hours are open until 9 and we've never had an issue and it's always our same time we stop in. We did take our food to go and my quesadilla was literally thrown i...
