What [Northtwork](#) likes about A Taste Of Saigon: I like Taste of Saigon in a normal day. It was nice to order pickup during the COVID-19 crisis and have some normality to life. I always order a 56... literally have never ordered anything different in years, but this time I decided to broaden my horizons and order a 58. I have always found it so funny ordering by number only. It's just one of the great things about this place. [View all feedback](#). What [Tracy P](#) doesn't like about A Taste Of Saigon: Vietnam Pho is just fair but the rice with pork is ok. Generally, the portion is quite big and the taste is standard only, no surprise. But strangely, the service is good and friendly. [View all feedback](#).
