From the egg drop soup, to the Shanghai Noodles or General Tao chicken the food never disappoints. While the atmosphere maybe sparse the warm welcome is never missing. A favorite of our 4 kids who never agree on anything. A local favourite. [View all feedback](#). What [Zara Postma](#) doesn't like about Chen's Restaurant: the waiting staff was very polite while we were eating there. the food proportions were large and the quality was what I expected. it was a fixed choice to lunch. the only complaint I really have is the toilet. they need to go through the restaurant to get there and it's pretty grubby. I wish it was cleaner and more beautiful. just better than what it is. [View all feedback](#).
