The people that run this restaurant are great. The service is really friendly and the lunch or dinner buffet is a fair deal for sure. Many desserts to choose from too all included in the buffet price. The food is not the best Chinese in...town, but it is the best I know of in the hardwood area and overall it is pretty good. They also have a take out buffet option which is great for people to take home or to work. [View all feedback](#). What [Bryce Veum](#) doesn't like about Mandarin House Restaurant:

I was starved, and that was ready to go in a buffet near with food. Normally, everything tastes good when you are super hungry, but that was unbelievably bland. bbq pork equal and only costed by sugar. veggies were. good. my expectations were very low as I expected typical white people Chinese food. hard to believe I was still dissappointed. friendly staff.
