I love the Chinese food here!!! It is definitely the best I've had in the area and can't imagine going anywhere else. My boyfriend absolutely love their chicken balls and fried rice. We just ordered some earlier. Sadly their customer service sucks :P I am not sure if it was the one worker or what.. but all in all I love the food!!! Only reason why I will continue to go back. The dry garlic pork was crispy but had no garlic flavor. The sweet and sour pork had no tang or zip. It tasted like tomato sauce. The beef with black bean was runny and watered down. This was the first time I ordered from Chop Chop and it also my last. [View all feedback](#).
