We really had a nice time here it is like an old fashioned café, we went on Christmas eve so it was very busy.

You must try the dried spare ribs as they were the best I have ever eaten. Service was good if somewhat...unfriendly. [View all feedback](#). What [Қырмызы Үстем](#) doesn't like about Peking House:

I am a regular for this place it's normally the best you will find for Chinese in town but tonight oct 20 was horrible. Normally it's fresh but the ginger beef was like shoe leather. The ginger chicken tasted two days old. Restaurants need to...remember when your deciding to be cheap and reuse unsold food you risk loosing loyal customers we won't be back for a while now.
