My family wanted to try this new restaurant since they were having a 15% off grand opening special. I really liked the authenticity of their Bun Bo Huê. It's pretty hard to find some in Calgary. The service was also really friendly and nice. They have a really good variety of different Viet food. I also really liked the salad rolls and Viet coffee as well! [View all feedback](#). What [Dominic Walsh](#) doesn't like about Yum Yum Vietnamese Restaurant:

I ate here for years, was always good. Today I ate there and was very disappointed. First off we had to almost beg to get a drink and order our food. My food came but my friends order never did! We asked politely three times...and the waitress looked frustrated or mad. Still no food for my friend. We paid the bill, with zero tip, and left. Terrible experience and will never go back.: [View all feedback](#).
