we stopped in while shopping for noon lunch ,we find the menu very satisfactory as we enjoy a healthy food and quiet atmosphere.Also economically priced and portions are just right for seniors and light healthy sandwiches.

[View all feedback](#). What [Karla Hempel](#) doesn't like about Kitchen Zone:

It's alright but high priced for a sandwich. Better off to go to subway or even better yellow subway. Where you don't get charged for one slice of tomato, or any extra toppings for your sandwich for that matter. [View all feedback](#).
