They are the fastest drive thru in town for breakfast hour. Great service always friendly. Food is always hot and doesn't taste dried out like its been under a heat lamp for hours [View all feedback](#). What [hells kitchens](#) doesn't like about A&W:

I just came in from out of town on business and was sitting outside in my Van watching my tablet on the Internet there was no one around. Then the management comes in a Vehicle get out comes over and sees I'm watching my tablet . Tells me she's going to call the cops and I was not doing anything wrong. This is my first time ever at this A&W and my last they just lost a potential customer . Not very friendly here [View all feedback](#).
