Here you can find the [menu](#) of **Subway** in Whitecourt. At the moment, there are **19** menus and drinks on the card. You can inquire about *changing offers* via phone. What [Eleanore Christiansen](#) likes about Subway: when they go by midday, they expect quite the line-up, but the staff is fast and polite so they don't wait too long. they forget the tomatoes on my sub in the hurry, but gave me a container full to me. to supplement the fact. She also accused me of the chips, so check her reception! [View all feedback](#). What [Edmond Casper](#) doesn't like about Subway:

Underground is what it is, sub-suppnet and salat. not so hard to mess. I always like the subway, but the ones on the hill in [Whitecourt](#). wow. if you can come by, say pardon and repeat yourself after everything you...test, then it's great. nothing against others, but please be able to speak English in Canada and understand if they will be in customer service!
