Subway makes 1 foot or 6 sandwiches on a choice of bread (bun) from Italian to oregano. They make in in front of you and you have a choice of vegetables (ie: pickles, lettuce, dressing, olives, red onions, jalapenos, red onion, tomatoes, etc etc. you choose then cookies, chips etc. You can eat there or take out. Very good food as it is fresh. [View all feedback](#). What [Keeley Littel](#) doesn't like about Subway:
