We rushed here from main street at 250am because mcdonalds was closed. We made it at 2:58am. I know how annoying an order that late can be especially since all the equipment was off. They turned the equipment back on and made it for us. Best wendys ever. [View all feedback](#). What [rowin niewerth](#) doesn't like about Wendy's: There's nothing wrong with asking for a copy of MY receipt. I'm not sure why the employee next to the nice lady with glasses had to insult me just because I asked for it. Us customers pay for YOUR salary. Be sure to treat us with respect. I spoke with the working manager and let her know to keep an eye out for this review so they can figure out who it was that unprofessionally and unnecessarily insulted me. [View all feedback](#).
