What [Banglabarry](#) likes about Boston Pizza: They make the best pizza crust in the world! It's my favourite by a long shot. The great white north pizza is the first Canadian food we eat after our 10 months overseas each year teaching. The cactus cut potatoes are awesome, as long as they are crispy. But these guys do a great job. [View all feedback](#). What [Elizabeth S](#) doesn't like about Boston Pizza:

Bad ham and pineapple pizza. Cold for starters. next to nothing for cheese and flavor. Much prefer Dr. Oeater. The good thing was the waitress, friendly and great service. Not her fault. Didn't want to complain but have to let you know. Bad! [View all feedback](#).
