Love this place! Been coming here for years. Service is extremely slow, and the two girls that work there is always grouchy, but that's part of what makes this place unique. : [View all feedback](#). What [May W](#) doesn't like about Kum Hong Bbq Restaurant:

A very modest looking place yes there is seating like 4 chairs at a counter along the glass front of the place, but I wouldn't call this place a restaurant. Nonetheless, this is a really good place for take out Roasted pork (Siew yook) or Barbecued pork (cha Siew) on rice. My husband and son loves getting take out here. [View all feedback](#).
