We used to be almost once a week customer, but lately, it seems like a slip in attention to detail. The staff try hard but each time we go lately the staff changes are obvious. The food quality has slipped slightly. We now go elsewhere for our weekly outings. [View all feedback](#). What [Claudine F](#) doesn't like about St-Hubert Restaurants: We stopped by and had supper here on our way to our hotel in Bromont. The food was typical of this chain, no real surprises. The Piri-Piri version of the chicken was way too spicy for one of our diners, and we would recommend sticking to the traditional chicken. The service was good, and the restaurant layout is very nice.
