What [User](#) likes about Kelly O'Bryan's: Staying nearby so walked down for dinner. Wait staff was great; recommended different menu items as it was our first time there. Food was good, reasonably priced. Good atmosphere. [View all feedback](#). What [User](#) doesn't like about Kelly O'Bryan's:

Took forever to order drinks. Once they came it took another 15-20 minutes to order our food. We shared the extreme pachos and asked for no jalapenos but it came with them all over and very little beef. We wanted to tell our server, but he he didn't come back to our table for at least 45 minutes, then stood by waiting for his expected tip. Very poor experience and I will never go back.
