tip: if you are not starving and have eaten nothing all day, then a small pizza (or you divide a medium/grand through two) - the pizza is not huge but almost three times as high as the Italian :-)

they're shit, they're trying to give me another command. no isolated problem. I did this at prior events. a reason why the phone person has a problem with me. will never order anything from this dive again. I'm sorry. chris [View all feedback](#).
