Had some lunch here and you get a huge portion of fries here. Sandwich was okay but nothing special. Credit card machine on counter but AMEX and foreign VISA refused. (so what was the machine for !!) [View all feedback](#). What [User](#) doesn't like about Restaurant Au Sommet De La:

We saw it as we walked to the park. We wanted a quick light lunch because it was mid afternoon. The servers in the room were friendly, but the woman behind the counter acted like it was a major inconvenience to serve us two glasses of wine, one sandwich, and one order of fries.
