A small place where all locals know you get there for the poutine. The Cantine offers a variety of poutine, in flavors and size, along with other fast food delights: hamburgers, hot dog... There is also a Menu du jour. You can either eat there in this almost retro feel or take it with you! [View all feedback](#). What [Kyle Haddad](#) doesn't like about Cantine d'Amours:

Average food, horrible service, waiting 3 minutes in front of the cash register and being told "I'm coming" when you're first in line, very ordinary. This was to carry our take out bag with no "thank you, see you next time" or smile. [View all feedback](#).
