My go to for dine in or take out. Good food nice staff. Decorations are nothing really fancy but it is clean and has a family run business in a small town kinda feel. Food is good and portions are typically more than I can eat.

Took my family out to dinner at this restaurant. The service was good the restaurant was clean however what you got for the money was very lacking. Small portions and limited sauces . We ate everything and left hungry .Will not be returning an will wait until out of town for Chinese food . [View all feedback](#).
