What [User](#) likes about Carp Bakery: Came here for lunch with a friend, a nice little bakery/lunch counter. Great luncheon specials, soup, sandwich, doughnut and a large mile for \$8.25. Lots of local traffic that know a good thing. [View all feedback](#). What [User](#) doesn't like about Carp Bakery:

The bread and buns are great when you can get them. I have been here times to get buns; the first time their oven was broken and they were closed for two weeks. Went in early on a Saturday morning (during open hours)...and they were closed no explanation, and today went in hour after opening and the buns were not ready. I'm not sure I want to waste my time on another trip.... [View all feedback](#).
