We go there for breakfast every Sunday mourning. The service is outstanding and the breakfasts are also very good. We have been going here ever since they opened and never once and had never had to ask for a coffee refill because they were always there when we have only a half cup of coffee. Staff are super friendly and make you feel they have known you for years whether you are a regular or first time frequenter. Th... View all feedback.

What User doesn't like about Sunset Grill:

I travel a lot and was down in Oakville Ontario at a sunset grill, so when I saw that St Albert had one I was so exited to have the food here. I arrived in the restaurant only to find the foreign staff members sprawled across the booths arguing with each other and distributing utensils, very odd, I ordered the food and it was second rate, will definitely not be returning View all feedback.
