Always love going to this hidden gem! The food is served quickly, hot and plentiful. There is often a lineup but it moves quickly. The staff is very accommodating and friendly. Highly recommend it! [View all feedback](#). What [Orin](#)

[Farrell](#) doesn't like about Angeliques:

Food was ok nothing special. Portions were huge but we felt rushed to leave and we had to take our food to go as they had long line ups. Not too many tables to serve all the customers but the service was fast and the food was okay. [View all feedback](#).
