What [User](#) likes about That Burrito place: my current favorit is the Mennonite routine, it is amazing. burritos are custom, or they recommend large combos! everything is so delicious, and everything is fresh! I love going to burrito place! the price is slightly higher, then its average "breakfast" restaurant, but. the quality is very beautiful. [View all feedback](#). What [User](#) doesn't like about That Burrito place: A nice location on Main Street, central to a lovely park, plus shops and office buildings. There is a spacious patio to enjoy your meal and refreshments. Pricing and menu are pretty typical. [View all feedback](#).
