Dinner here was great. The place is small, clean and nicely decorated. Your order is taken at the counter by a very friendly lady. I loved the menu - written in chalk and takes up a whole wall. We both opted for lasagna and salad and were pleased with our choice. For my own personal taste, the lasagna needed - how ironic - more sauce. My wife loved it as is. We enjoyed Sauce and, when in [Cardston](#), will likely return. [View all feedback](#).

What [User](#) doesn't like about Sauce:

This restaurant was awesome with the original owners. Restaurant was sold and the food quality has gone down hill big time. Haven't been back since. Let me know if they have pulled up their socks recently. I like a good pizza. [View all feedback](#).
