What [User](#) likes about Sea Level Dining Room / Inn by the Bay: Excellent service and food was delicious and plentiful, veggies in abundance and nicely cooked. We were so happy to find a place to eat so close to George House! [View all feedback](#). What [User](#) doesn't like about Sea Level Dining Room / Inn by the Bay:

We were disappointed with the quality of food (shrimp overdone and servings too large). and the too casual dress of the staff. Menu choices are limited. It was our final evening in Dildo and had higher hopes for the quality of food and service. [View all feedback](#).
