What [User](#) likes about Ships A-hoy Fish and Chips: We stopped here for fish and chips take out, and this place didn't disappoint! We each got the one piece cod and chips, which came with coleslaw. They also provided vinegar and ketchup with the take out order, and everything was delicious! The fish was moist and flavorful, and the fries were fresh and well done! We would definitely come back here if we are in town again! Would recommend. [View all feedback](#).
