M M Chip Stand is a seasonal takeout restaurant offering a variety of classic [fast food](#) options such as burgers, fish & chips, poutine, and hot dogs. Customers can call ahead to minimize waiting time, and the menu is conveniently posted on the wall or available as a printed version to take away. The burger choices are more extensive than at many similar establishments and are quite tasty. The prices are reasonable and in line with other roadside stands. On-site seating is limited to a single park bench in a simple ambiance. The service is friendly, and the fish dishes are particularly recommended, with a 5 oz haddock filet in a crispy English-style batter. While the fries can be disappointing, the overall quality of the food makes it a solid choice for basic takeout, especially with the option of call-ahead ordering.
