You can inquire about **seasonal or weekly deals** via phone. A recent visit to Steeled Garden, a Chinese Canadian restaurant, left some customers disappointed with their meals. One diner received an overly greasy Shrimp Egg Foo Yung that was inedible, while another found their Chicken Chow Mein to be watery and lacking flavor. Another customer complained of tasteless food causing stomach issues and a strange smell coming from their drink. However, the restaurant did receive positive feedback from other patrons who enjoyed the affordable prices, tasty dishes, and friendly service. Some recommended menu items included the Szechuan chicken, Cantonese Chow Mein, and the Spicy Fried Chicken Wings. Overall, opinions were mixed but it seems that Steeled Garden may be worth a visit for those seeking a budget-friendly Chinese meal.
