On this site, you can find the *complete menu* of A&W from Calgary. Currently, there are **20** meals and drinks available. For **changing offers**, please contact the owner of the restaurant directly. You can also contact them through their website. This A&W location offers a consistent and fast drive-thru service, with friendly staff and predictable food offerings. While some customers have had issues with missing condiments and high prices, others have enjoyed the tasty burgers, crispy fries, and refreshing root beers. The breakfast options are particularly popular for their value and convenience, making it a good alternative to cooking at home. Despite some menu changes and inconsistencies with side items like onion rings, many patrons still appreciate the affordability and quality of the food at this restaurant. With a mix of positive and negative experiences, it seems that A&W remains a reliable choice for quick and satisfying meals.
