For **seasonal or weekly deals**, please get in touch via phone or use the contact details provided on the website. Pizza On Earth is a family-owned and operated wood-fired bagel shop and pizzeria serving Montreal-style bagels and gourmet thin-crust pizzas made with high-quality ingredients. Our handmade pizzas are cooked in our traditional brick oven named Etna, which heats to over 700 degrees Fahrenheit, resulting in pizzas cooked in just three minutes. The wood fire gives our pizzas a rustic smokiness while also creating a deliciously crisp and tender crust. Join us on weekends until June 28th or every day from June 22nd to September 8th for a unique culinary experience.
