Here you can find the [menu](#) of **Snowdrift** in Kimberley. At the moment, there are **16** dishes and drinks on the food list. The restaurant offers slightly above average food, with a comically large sandwich and standard bean burrito. The ambiance is nice, but the disappointing food includes a supermarket veggie burger and inadequate kids' meals. Snowdrift serves incredible dark roast coffee and famous cinnamon buns worth dreaming about. The breakfast portion size is nice, with a lovely morning view of the mountains. This café is great for meeting up for a cuppa, with delicious food and an affordable menu. While catering mostly to coffee drinkers, they also offer tasty salads, soups, and sandwiches for a late light lunch option.
