Here you will find the [menu](#) of **Boston Pizza** in Thompson. At the moment, there are **33** meals and drinks on the menu. The Thompson dining scene may be limited, but Boston Pizza is a reliable choice for many locals and visitors alike. With a mix of positive and negative reviews, the overall consensus seems to be that the food is decent and reasonably priced, especially the burgers, but the service can be hit or miss. Some patrons have praised the attentive and friendly staff, while others have had issues with servers being preoccupied with personal matters. Despite some mixed feedback, Boston Pizza is commended for their efforts to adapt to COVID-19 protocols, including checking vaccination cards and implementing QR codes for menus and payment. Overall, it seems that Boston Pizza in [Thompson](#) is a safe and convenient option for a meal out, even if it may not always be a flawless experience.
