The restaurant offers a mixed experience ranging from poor ambiance with noisy kitchen noises to savory dishes that could use some improvement in details. The menu overall is good but with some hits and misses. However, the Belle Excuse insists on refinement in both the kitchen and dining space. On the contrary, it received rave reviews for impeccable service and delectable food at reasonable prices. Despite a few shortcomings, this restaurant has gained popularity and is worth a visit for a gastronomic adventure, particularly for those exploring the Gaspe region.
