On this site, you can find the **complete [menu](#) of Maison Du Japon** from York. Currently, there are **22** dishes and drinks up for grabs. The restaurant offers a pleasant group luncheon experience with a somewhat limited but quite good menu, highlighted by delicious Korean BBQ ribs and a variety of sushi options. However, some reviewers have noted a decline in service quality and food consistency over time, with skimping on ingredients and portion sizes. Despite this, the all-you-can-eat Asian restaurant in the Thornhill/Markham area still appeals to many, offering freshly cooked dishes and a broad selection of menu items. The state-of-the-art computer ordering system provides a unique dining experience, and the casual, modern atmosphere combined with great service makes it a popular choice for those seeking a variety of Japanese food options. Additionally, the restaurant offers a different approach to traditional all-you-can-eat places, allowing customers to order fresh dishes from a menu rather than serving pre-prepared items. Overall, while there are mixed reviews regarding service and food quality, for those seeking a diverse Asian cuisine experience, this restaurant remains a favorite for many.
