During Covid and the lockdowns I have made sure to shop within our great town of Goderich.

I have paid attention to and shopped independently owned businesses as much as possible. I know how hard it was and still is during these times and I like to show my appreciation for all they do to keep their doors open.

Cravings is amazing!

Nicole, you always have a smile on your face and greet everyone like a friend. As with most women who own a business you are a little bit tough and work and making it through one of the worst times to own a business. Thank you for being up for the challenges and holding on.

Staff of Cravings, you are awesome. These days there is too much criticism of young people and not enough credit about the majority of you that are awesome such as you young ladies. You four stand out as being capable, courteous and handling difficult situations with maturity that sometimes isn't even seen in adults. I have witnessed how you keep your cool, do what has to be done and move on to the next customer with a smile on your face.

I like to acknowledge hard working great women. You are my ladies to reward this month. Nicole the flowers are for you to enjoy. \$25 is to go to each of your staff as a thank you for being awesome.

Please hang in there, we will make it through this pandemic and hopefully find that all people will be kind and considerate to those in the retail and service industry.
