A **comprehensive menu** of Foothills Pizza & Pasta from Turner Valley covering all **23** meals and drinks can be found here on the food list. Foothills Pizza offers high-priced, but generously topped pizzas with an option for 2-for-1 or single pizza deals. Customers found the portions generous, with enough leftovers for a second meal. Service is friendly, but sometimes lacks attention to detail, such as with takeaway containers and limited drink options. While consistent in quality for some, others experienced disappointing variations in crust and sauce quality. Overall, Foothills Pizza is praised for its delicious crust, sauce, and cheese toppings, offering a great dining experience or takeout option.
