A **complete menu** of **Dr Java's Coffee House** from Prince Albert covering all **22** dishes and drinks can be found here on the card. Dr. Java's in Prince Albert has been a longtime favorite, but recent visits left regulars disappointed with messy displays, dirty tables, and poorly prepared food. Coffee quality and service have also deteriorated, despite a Best of Best award. Customers found the space unappealing, were frustrated with the lack of butter, and experienced unsatisfactory service. On the upside, the food options and drinks are good. One couple enjoyed their paninis but found the atmosphere unpleasantly chilly and smoky. Despite these setbacks, some customers still appreciate Dr. Java's diverse menu and cozy ambiance.
