A **comprehensive [menu](#) of Le Red Tiger** from Montréal covering all **22** meals and drinks can be found here on the menu. Red Tiger offers a trendy ambiance with a disappointing food experience. Despite a misleading menu and poorly executed dishes like snails and clams, the atmosphere and service are commendable. Cocktail options and unique Vietnamese offerings add to the appeal, even though some items were greasy and oversized. The restaurant's funky decor and friendly staff, including a standout hat-wearing waiter, create a vibrant dining experience. With sharing plates and delicious tapas like bahn khot, Red Tiger is recommended for a fun and affordable night out. The attentive service and flavorful dishes make it a promising choice for a return visit.
